## “Our Region – Our Vision” Photo Contest

### *The Great Lakes Region Through Your Lens*

#### Summary, Terms and Conditions

---

#### **Summary**

1. The photo contest is aimed at showcasing progress as well as ongoing efforts towards a more peaceful, stable, inclusive and prosperous Great Lakes region, in line with the Peace, Security and Cooperation (PSC) Framework for the Democratic Republic of the Congo and the region as well as the United Nations (UN) Great Lakes Strategy. The suggested motto for the contest is *“The Great Lakes Region Through Your Lens”*. It is intended to be interactive, inviting people to share their views on what the region is and could be while emphasizing the plurality of perspectives. The hashtag *“#OurRegion–#OurVision”* was chosen as an accompanying motto to highlight our joint commitment towards the region and the PSC Framework.
  
2. To guide contestants in selecting the most pertinent photos, five thematic categories have been identified. The categories have been kept deliberatively broad to encourage different, creative ways of bringing to life the commitments of the PSC Framework:

- a. **Working together for peace**
- b. **Putting down guns**
- c. **Promoting justice for all**
- d. **Connecting across borders**
- e. **Leaving no one behind**

Contestants are invited to submit up to three photos in one or more of the above categories.

3. One winner and three runners-up per thematic category (amounting to 20 photos in total) will be selected by a jury composed of UN staff from the Office of the Special Envoy of the Secretary-General for the Great Lakes region. Photo entries will be judged based on their:  
(i) composition, (ii) originality, (iii) responsiveness to the theme, and (iv) overall impact.
  
4. The winner of the photo contest will receive a **new photo camera**. The 20 winning entries will be exhibited during the 10<sup>th</sup> anniversary commemoration of the PSC Framework on 24 February 2023 in Bujumbura, Burundi, during which the photos will be paired with narratives explaining the importance of the five categories in support of peace, stability, and development in the Great Lakes region. Recognition and diffusion of the winning images and finalists will be widely exposed throughout the OSESG-GL website and at future OSESG-GL initiatives and events.
